Charley is a highly-respected international leadership, management, career and business strategist and trainer. She specialises in identifying and framing solutions for organisations and individuals to work differently and with greater purpose. She has a proven track record in showing executives, management teams, business owners and professionals how to chart new ways of working and how to develop more meaningful careers. Charley has over 23 years' international project management experience involving strategy, marketing, sales, customer service, product development, process improvement, training/education and organisational restructuring. Charley has built an enviable reputation and extensive track record in developed, emerging and transition economies establishing, managing and supporting the development and restructuring of financial and business organizations and individuals. She has led people, projects and executive and management education programmes in the banking/financial services and business sectors throughout Ireland and Western Europe, Central and Eastern Europe, Central Asia, Southeast Asia, the Middle East and Africa.
